

CYBER CENTRAL GARDEN COMMUNITY

WEST CHELTENHAM STRATEGIC MASTERPLAN

DRAFT SUPPLEMENTARY
PLANNING DOCUMENT

**Public consultation period:
Monday 13 January to
Monday 17 February 2020**

Come along to our drop-in events and find out more...

Cheltenham and Tewkesbury councils are working together to drive a world class development at West Cheltenham. Our vision is to create a vibrant pioneering community integrating hi-tech business, residential and leisure uses. It will require the highest standards of environmental sustainability integrating exemplar homes as part of a thriving campus and garden community.

This planning framework called a Supplementary Planning Document (SPD) will provide a broad masterplan setting out important principles including connections from existing neighbourhoods, the design of green spaces, new homes, employment spaces and community facilities. We are keen to hear your views. Come along to one of our events overleaf to find out more.
