Asset Register
31st January 2026

Note 1 – Most of the assets are of low value and any insurance claim would involve the payment of an excess. In view of this it is the policy of the Council not to insure its assets.

Note 2 – Assets are valued at acquisition cost in accordance with “Governance and Accountability in Local Councils in England and Wales – A Practitioners’ Guide” March 2023 edition section 5.58

Note 3 – Prior to 9th May 2022 the Village Hall had been shown as an asset of the Parish Council. It is actually owned by a Charitable Trust but the Parish Council is custodian trustee.
